Varna watermain flushing

Date and Time: Thursday, September 19 8:00 am - 6:00 pm

Address: Varna ON

Ontario Clean Water Agency (OCWA) will be completing spring watermain flushing for the Varna distribution system.

You may experience discoloured water coming from your tap. If this happens, we suggest you try the following:

- Remove the tap aerators from your taps and flush the cold water house line until it runs clear.
- Flush out your hot water tanks. This is to remove the accumulated iron that precipitates out in the tank; this iron may also decrease the efficiency of your water tank.

You may experience fluctuating water pressure due to the flushing activities. For more information contact the Public Works department.

Address: 40374 Kirkton Rd., Centralia

We are hosting our 8th Annual Harvesting Hope, an evening dedicated to supporting Big Brothers Big Sisters of South Huron. This event will be held at The Barn and Pub in Centralia. The Harvesting Hope evening will hold a cocktail hour @ 5pm, a harvesting-style buffet @ 6pm, live musical entertainment, an in-person mentoring auction and an online auction (starting September 22nd - ending September 29th). The primary goal of harvesting

hope is to raise community awareness about the invaluable mentoring programs we provide, connect with new volunteers, and generate essential funds to support our agency. Although we are part of a National organization, our Agency does not receive base funding from our National office and only minimal program-specific government funding. In fact, 96.5% of our annual budget is comprised of funds raised through grants, sponsorships, individual donations, The Little Shop (our children's consignment store), and fundraising events like Harvesting Hope.
